## A. Encroachment Threat

*Please contact the appropriate military Service representative (see the RFP) for information on the next two questions.*

### 1. Strategic Military Benefit and Summary of 2019 Challenge Focus Areas

Briefly describe how the project fits into a coordinated and comprehensive approach to preventing or managing encroachment; and how the project promotes land conservation or management activities that limit incompatible development in the vicinity of DoD installations and ranges, or that relieves current or anticipated environmental restrictions in support of the key capabilities identified in the National Defense Strategy. Specifically reference those key capabilities on page 3 of the RFP that this project aims to protect.

### 2. Encroachment Threat

Briefly describe the encroachment threat to the military mission that this project addresses. Include specifics regarding restrictions on military activities that this project will help to prevent, reduce or mitigate.

**B. Justification under the 10 U.S.C. 2684a Statute** (choose 3-a, 3-b, or 3-c)

- 3-a: Briefly describe the current status/use of project land, and the likelihood that the project land will be incompatibly developed.
- 3-b: Briefly describe the threatened and endangered species and/or species at risk, and their habitats, within the project land or that affect the military mission as well as the status of USFWS coordination efforts, if applicable.
- 3-c: Briefly describe how protection of the project land maintains or improves installation resilience (e.g., water supply, extreme weather events).

**C. Project Finances**

Please provide an overview of the proposed financing for the project, including cash funding sources, bargain sale opportunities, below fair market value sale opportunities, land exchanges, in-kind contributions, etc.

Estimated Project Financial Summary

Partner Contributions	Service Funding (If appropriate)	REPI Funding Request	Other (Explain)	Total Anticipated Project Costs

**D. Maps**

Please provide a pdf map and shape files of the parcel(s) of land in your project in a compressed folder.

**Please submit by 8 p.m. Eastern on Friday, January 25, 2019**
